

How to draw an Armadillo

Three-banded Armadillo

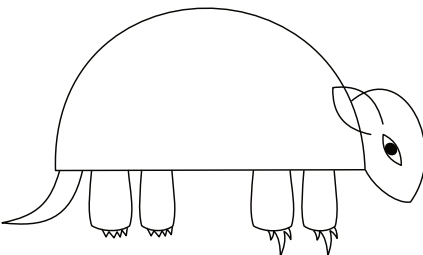

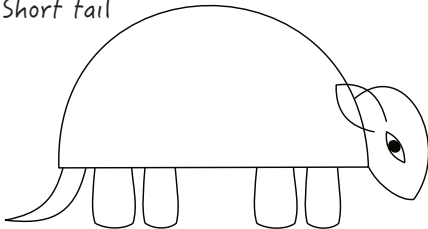

Draw a half circle or taco shell

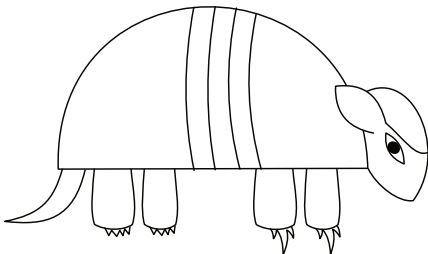

The head has a short snout and ears on the side

Short tail

Three front claws, including one huge claw that they walk on. There are four small nails on the back feet

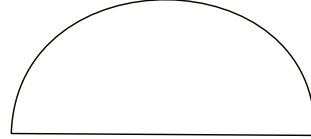

Three bands in the armor allow them to roll into a ball. They are the only species who can do this

Nine-banded Armadillo

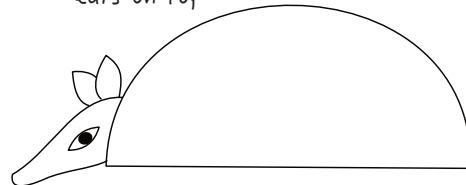

Draw a wider half circle

1.

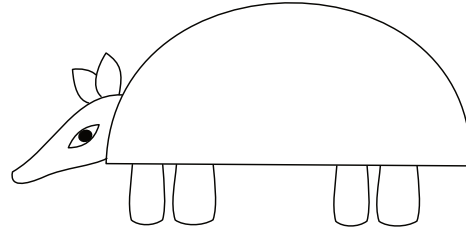

2.

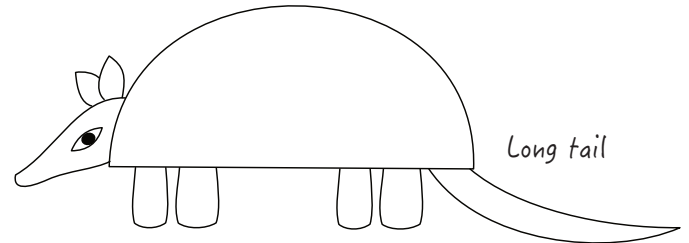

The head has a long snout and ears on top

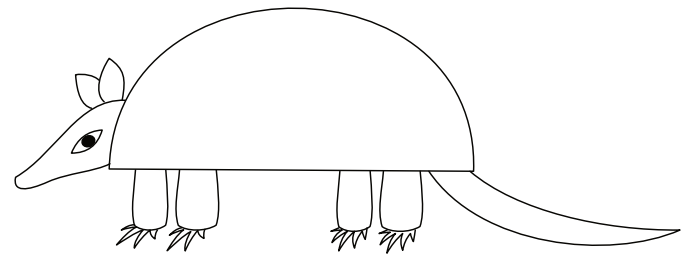

3.

4.

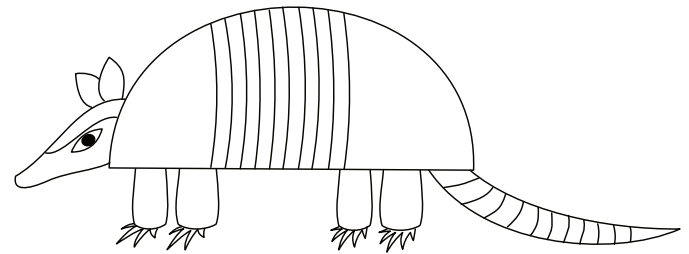

5.

Four claws on the forefeet and five claws in the back. The middle claws are longer than the outer claws

6.

Draw seven to eleven bands. They cannot roll into a ball
