# How to draw Sea Slugs

1. Costasiella kuroshimae
### Leaf Sheep

Draw an hourglass shape for the face
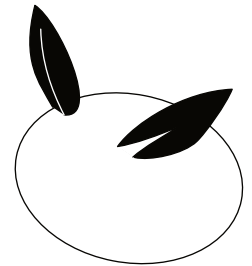

Add eyes and rhinophores

Fill in the body with lots of beautiful cerata!

2. Jorunna parva
Sea Bunny
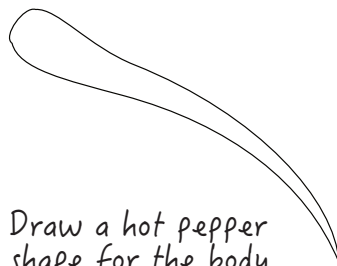

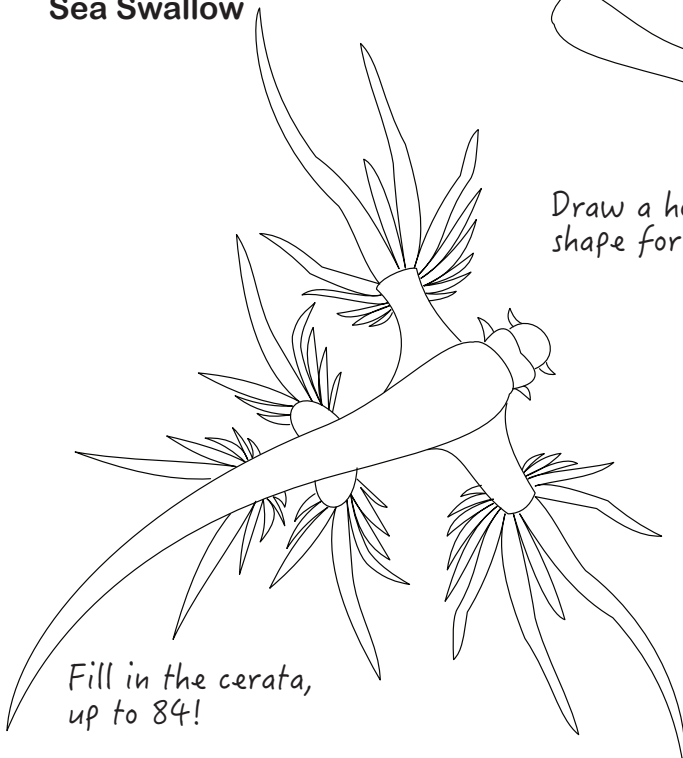

Start with an egg shape

Draw the rhinophores

Add external gills in the back and different colors of papillae
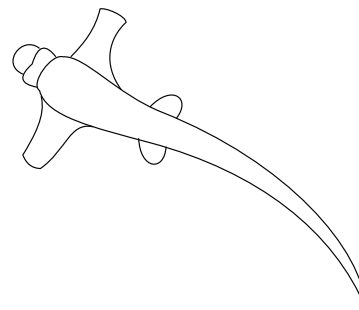

3. Glaucus atlanticus
Sea Swallow

Draw a hot pepper shape for the body

Fill in the cerata, up to 84!

Add the head and peduncles
